# All Sided Games

*Play Summit* is a collaboration between Collective's *All Sided Games* and *Baltic Street Adventure Playground*.

*Baltic Street Adventure Playground* is a VELOCITY project delivered collaboratively by ASSEMBLE and Create London and is funded by Creative Scotland, Clyde Gateway and Glasgow City Council.

*All Sided Games* is a series of off-site commissions, placing artists in and around venues built or used for the Edinburgh 1970 and 1986 Commonwealth Games and in venues to be used for the Glasgow 2014 Games. It brings people together to make work of mutual interest.

Collective is a contemporary, visual arts organisation, established in 1984 to support a community of local artists. Collective now delivers an exciting and ambitious programme of new exhibitions, new commissions and projects. Collective produces major new work by Scotland based and international artists who are at a pivotal stage in their development.
